**Federal** (FAA-leased) AWOS sites indicated with alternating white and **teal fill**. **Non-Federal** (privately owned) AWOS sites indicated with **pink fill**.

<sup>1</sup> elevation is shown in feet above MSL (Mean Sea Level)

\*site elevation refers to the elevation of the barometric pressure sensor at the main sensor suite

**GULF OF MEXICO AWOS STATUS**  
**March 28, 2022**

AWOS Removal Planned or Completed	ICAO LID	Phone #	Frequency	Lat/Long	Status
MC311A (Fieldwood Energy)	KMDJ	337-210-8997	119.325	28.64/-89.79	Permanently out of service, removal planned Q4 2022
MUA85A (EnVen Energy Ventures)	KMZG	504-208-2392	119.325	27.73/-96.19	Permanently out of service, removal planned for 2022
SM268A (Fieldwood Energy)	KSCF	337-210-8994	119.575	29.12/-91.87	Permanently out of service, removal planned Q4 2022

AWOS Awaiting Installation/Commission	ICAO LID	Phone #	Frequency	Lat/Long	Status / Strategic Impact

Locations Under Consideration for Possible Federal AWOS Installation	ICAO LID	Status / Objective
ST52B (Arena Offshore)	KOYE	Planned for 2022 / Replace Fourchon, LA (KXPY)
GC433/ King's Quay (Murphy)	KMKQ	Planned for 2022 / Leapfrog/replace GC-338 (KGRY); Pairs with GB172, GB668, and GB783
GC641/ Tahiti (Chevron)	KTAH	Planned for 2023 / New Install / Pairs with WR29, GC787, and GC338
MC941/ Titan (Equinor)	KETO	Planned for 2023 / New Install / Coverage redundancy / Pairs with MC807 and MC724
HIA547B (Arena Offshore)		Replace HI-A376B (KHQI)
GAA244A (Williams)		Leapfrog/replace EB-165 (KEMK)
SS28P (Shell Pipeline)		Provide shallow water weather reporting service
EI338K (Arena Offshore)		Redundancy to EI-251A (EKE)

**AWOS REPORTING PROBLEMS ? (Applicable to ONLY Federal sites):** Please report **Federal AWOS** performance problems to the L3Harris Network Operations Center (NOC), open 24/7, at **888-461-7277** (preferred) or **DL-SBSS\_NOC@att.com**

**NOTE:** The FAA does not have remote maintenance monitoring capability for the telephone dial-up or VHF radio service. Please report outages/problems of **Federal** AWOS sites to the NOC.
