# FUTURE WORK

- ✦ Finish AFFF contribution to HSAC RP 163 revision
- ✦ Continue HSAC RP 191 'TBD' replacement by reference material during bi-weekly meetings
- ✦ Continue Offshore Wind Sub-Committee and associated review of RP 191
- ✦ Review of Fuels sections due to recent change in standards.
- ✦ HeliOffshore MMHEL incorporation into HSAC RP 163
- ✦ OPITO Helicopter Admin Training and CAP 437 Heli Admin Requirements Review for implications to HSAC RP 160 series.
- ✦ Training and Structures Workgroup startups.
